

BCF MKM appointed leading distributor in France

BRAUDE the leading manufacturer of electric immersion heaters for corrosive liquids are pleased to announce an association with BCF MKM in Soissons, Cedex France.

Philippe Mullier Director of BCF MKM is very experienced in the field of heating and is optimistic that Braude equipment will be well received by the market in France.

Braude products include:

- **POLARIS** non-corrodable electric immersion tank heaters are easy to install, can be used vertically or horizontally, have high thermal efficiency and feature a safety grounded/earthing system. Braude has extensive experience of the solutions found in electroplating and associated processes and is able to offer sound advice to provide the most effective **Polaris** heater for a particular application. The heaters are available in ratings from 0.5kW to 18kW, are unaffected by stray currents, and come in a variety of configurations.

- Braude Controllers are sealed to IP65 and include the **Thermaster** temperature controller which is robustly constructed, simple to operate and install, and has a clear visible display. Also available are the **Levelmaster** liquid level controller and the **Tankmaster** dual temperature and level controller
- Braude also produces a range of **Self-Priming Chemical Service Pumps**, suitable for use with highly corrosive solutions such as hydrochloric, hydrofluoric and sulphuric acids - with flow rates up to 35m³/hr.
- **FROGSPAWN Thermal Insulation Spheres**, which form a floating blanket on the surface of solutions to reduce thermal loss by up to 70%
- Braude also manufactures the **Nautilus** range of tank heaters and **Jet Stream** external heating and cooling systems for the use with steam, hot water, thermal fluid or chilled water for larger scale pickling and processing operations.

All products are manufactured from high integrity chemically inert fluoropolymers ('Teflon™', for example), and have been designed to ensure long life in aggressive solutions. They are all manufactured to the highest quality standards: Braude is an ISO 9001 registered company
